

Nashua Farmers Market Sponsorship Package

Thank you for your consideration in supporting the Nashua Farmers Market

Twice voted the best market in the state, the Nashua Farmers Market is excited for the 2023 season. Our new location this year at the Nashua Public Library allows for more vendors and programming. We are proud to offer SNAP at the market along with Granite State Market Match which doubles SNAP dollars for fresh produce.

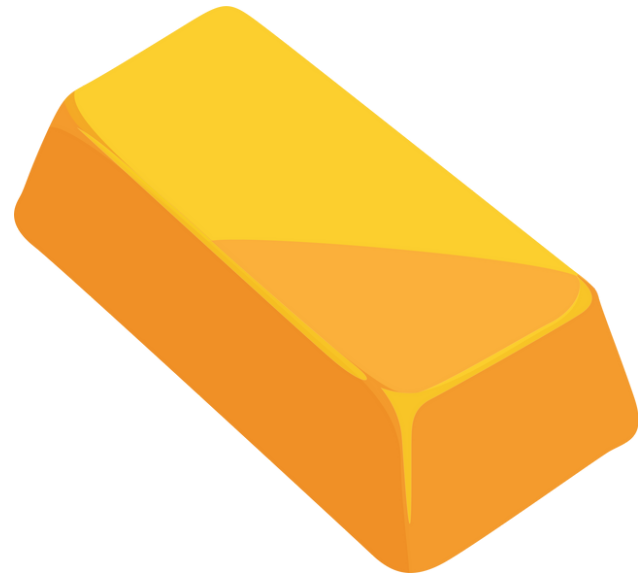

We are committed to engage with the community and grow the market to new heights this year, and your support makes this possible. Thank you.
