

Nashua Farmers Market

Do you know a kid who is passionate about selling their own creations? We would love to have them be a kidtrepreneur at the market!

Kidtrepreneurs sell their own creations (i.e., artwork, handmade jewelry, unique inventions, etc.) Kidtrepreneurs pay a \$5 vendor fee each day they set up at the market. To vend at the market, you will need:

- A 10x10 pop-up canopy
- 30 lb. tent weights for each leg of the canopy (a total of 120 lbs.)
- A table
- A parent or guardian
- A sign is optional, but highly encouraged

If you know a kid who is interested, please begin by clicking [here](#) to complete and submit the application. Then don't forget to select the dates you'd like to participate by clicking [here](#).

Once you have completed those steps, please email us at farmersmarket@downtownnashua.org. Thank you and we look forward to working with you!
