

## **Nashua Farmers Market Become a Vendor**

Do you have a business and want to sell your products at the market? Here's what you need to know and do:

Full season vendors set up at the market every week. Half season vendors set up every other week, and drop-in vendors pick the dates on which they would like to set up. All vendors need the following:

- A 10x10 pop-up canopy
- 30 lb. tent weights for each leg of the canopy (a total of 120 lbs.)
- A table
- A sign identifying the business to passersby
- The ability to set up without the assistance of market staff
